

Italy's Gruppo Alcuni Showcases at MIA

With a recent “**Best Director**” win at NYAFA for their internationally successful *Leo da Vinci* series, Italy’s **Gruppo Alcuni** will be featuring *Gateway 66* at MIA’s brand new **AnyShow** animation showcase October 11th in Rome.

In co-production with **Rai Kids**, and in collaboration with MUSE Science Museum in Trento, TFC and the Renzo Piano Foundation, this captivating live-action animation series trailblazes to kids that science can actually be a thrilling and fun-filled experience.

When a research scientist gets trapped in her own hyperspace portal experiment and two teen heroes set off on a rescue mission time travelling back 66 million years, just about anything can happen: with good guys, bad guys, shapeshifting, evolution, parallel universes, past, present and future...you name it!

Gateway 66 is set to air on **Rai Kids** in spring 2024.
